

YOU NEED EASY HR

Clients often share with us a common pain point that goes something like this: **"WE NEED HR!"**

You don't know where to start, who to call, what to do - so you often do nothing.

You need *free* easy HR

We've listened to our clients and Harry James Group has entered into a program with ConnectsUs HR™ (<https://connectsus.com>) so you can take advantage of the proven HR package made for Canadian small business and Canada-compliant.

- ConnectsUs has been in business since 2006
- Over **5,000 happy customers**
- 476,000+ documents downloaded

The best part? **There's no cost to you - we've picked up the tab!** You won't even have to provide a credit card.

Refer to the reverse side of this document for more information or find out more online at:

and view sample documents and HR kits.

Don't reinvent the wheel. Spend minimal time and effort creating the professional HR you know you need, but never have time to build. ConnectsUs HR has done most of the heavy lifting so you can build on premium HR templates that were created to work together.

What is ConnectsUs HR?

A \$399 value, **ConnectsUs HR Toolkit for Small Business** is a Canadian HR toolkit that features a collection of [20 HR Kits](#) and [200+ premium templates](#) supported by an online Resource Center and step-by-step instructions to easily fast-track or improve your HR.

- employment contracts
- employee handbooks
- manager guides
- recruiting tools

... and so much more

ConnectsUs HR is a well-written cohesive HR toolkit that helps our clients easily manage their workforce and keep them out of legal hot water.

Made for Small Business

You're not IBM and you don't need complicated HR. You need Canadian HR that makes sense for small business and you need to start with the basics. Once your HR foundation is in place, you can then choose to grow HR at your own pace. More importantly, you need guidance every step of the way.
